

# Manufacturer's One-Year Warranty

---

Net Optics offers a limited one-year warranty for all its products. In no event shall Net Optics, Inc. be liable for any damages incurred by the use of the products (including both hardware and software) described in the statement of warranty, or by any defect or inaccuracy in this statement of warranty itself. This includes but is not limited to lost profits, lost savings, and any incidental or consequential damages arising from the use or inability to use this product, even if Net Optics has been advised of the possibility of such damages. Some states do not allow the exclusion or limitation of implied warranties or liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Net Optics, Inc. warrants its products for a period of ONE-YEAR from the original ship date. This product is warranted against any defective construction or materials. Should the unit fail anytime during the said ONE-YEAR, Net Optics will, at its discretion, repair or replace the product. This warranty is limited to defects in workmanship and materials and does not cover damage from accident, disaster, misuse, abuse or unauthorized modifications.

If you have a problem and require service, please call the number below and speak with our technical service personnel. They may provide you with an RMA number, which must accompany any returned product. Return the product in its original shipping container (or equivalent), insured and with proof of purchase.

#### **Software Warranty Disclaimer**

If you are using a Net Optics product that requires software, you agree to the terms and conditions of usage set forth by Net Optics, Inc. on the installation CD. Please read this information before installing the software.

THE WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHERS, EXPRESS OR IMPLIED. A Net Optics reseller is not authorized to make any modification, extension, or addition to this warranty.

Net Optics welcomes comments or suggestions regarding its products and their use.

For additional information or to submit suggestions please contact a Net Optics Customer Service Representative.
